

ZIPMONEY LIMITED
CORPORATE GOVERNANCE STATEMENT

As at 22 August 2017 and approved by the Board.

The Company is committed to high standards of corporate governance designed to enable the Company to meet its performance objectives and better manage its risks.

The Company has adopted a comprehensive governance framework in the form of a formal corporate governance charter together with associated policies, protocols and related instruments.

The Company intends to follow the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations – 3rd Edition* ("ASX CGC P&R") in all respects other than as specifically provided below.

A full copy of the Company's corporate governance charter and associated policies, protocols and related instruments is available on the Company's website at www.zipmoneylimited.com.au under the heading "Corporate Governance".

However, notwithstanding the adoption of the Company's corporate governance charter and the aforementioned intention, and given the Company's business activities, developing business base and growing staffing complement, cultural adherence in practice to all aspects of the respective charters and the ASX CGC P&R remains an evolving "work in progress".

In particular, each of the recommendations of the ASX CGC P&R which will not be followed by the Company and the reasons why they respectively will not be followed, are set out below. Given the underlying issue and nature of the non-compliance with each of the recommendations and the intended temporal duration of the non-compliance, no alternate governance practices are intended to be adopted in lieu of each specified recommendation of the ASX CGC P&R.
